### EDUCATION

**ENGINEERING** Aug 2022 – Present  
DAYANANDA SAGAR UNIVERSITY, KANAKAPURA  
Bachelor of Engineering in Computer Science at Dayananda Sagar University, Harohalli, Kanakapura. Third year student.  
I am now studying a Bachelor of Engineering in Computer Science, with an emphasis on full-stack development. My school experience has helped me polish my abilities in a variety of programming languages and technologies. I am particularly interested in machine learning and have successfully worked on a crop prediction project that utilizes machine learning techniques.
